Sleep Sound Therapy System

Proven to help you sleep, relax, renew

Natural sounds are a proven, healthy sleep aid.

Studies have shown that we sleep better and relax easier when we can block out distracting noise and listen to natural sounds.

Sound Oasis sound machines are used in hospitals, clinics and in homes around the world to help people fall asleep easier and experience higher quality sleep.

Includes 6 Natural Sounds

Optional Sound Cards Available

#1 Rated Sound Quality - professional, digitally recorded sounds

Exclusive Sound Card Technology - add 6 new sounds by inserting a new sound card

Alarm Clock - gently wake to buzzer or sound

4 Position Auto Shut Off Timer

Memory Button - repeats last sound experience

Headphone/Speaker Jack

Battery or Outlet Powered - AC adapter (included) or 4 "AA" batteries (not included)
